

ADDENDUM TO 4-2-22 MINUTES

5/18/22

On the above date Secretary Mike Woodward received a call from Financial Secretary Barb Hobson. After reading the minutes she asked that a notation be made for the record. In the last section where it was printed “*She documented where it came from and the amounts and deposited it in the bank. She then gave that information to Chris.*” Barb wanted it noted that she did not say that she gave the financial information to Chris Decker at that time. The information is then put into the August deposit for the week of show.
